**NOTICE OF THE 2026 EWF ORDINARY CONGRESS &  
THE EXTRAORDINARY PARTIAL ELECTORAL CONGRESS**

According to the EWF Constitution, articles 4.2.1 and 4.2.3.1, EWF kindly invites you to participate in the 2026 EWF Ordinary Congress & the Extraordinary Partial Electoral Congress, which will be held on April 17, 2026. in Batumi, Georgia.

Annual Reports from the EWF EB and Committees and Commissions, as well as audited financial statements and the Auditor's report, will be sent to Congress at least thirty (30) days in advance.

Following the 2025 Electoral Congress in Moldova, vacancies remained in some of the EWF committees: 1 vacant position in the EWF Coaching, Research and Scientific Committee, and 4 vacant positions in the Medical Committee.

After consultation with the EWF Vetting Committee for the 2025 Elections, EWF received opinion of the VC: While there is no specific treatment regarding vacancies in the EWF Committees the fundamental principle will therefore be that election should take place for these positions by the Congress being the organ with the electoral power (Art. 4.1.5 + 4.2.2 +4.2.2.1 of the Statutes) and any such elections should be conducted in accordance with the Rules of the Congress and Elections (Art.5.2.3). The Extraordinary Partial Electoral Congress will be exclusively dedicated for elections of vacancies in EWF Committees.
